BRIEF ON NRIF

NRIF is a not-for-profit, a multi-disciplinary research and consultancy society offering professional services / Turnkey jobs in the fields of: natural resources-agriculture, forestry, environment, science & technology, water management, rural livelihood, development finance, economic security, and women empowerment..... programs in India & Abroad. It has a highly qualified and experienced team of planners, economists, engineers, sociologists and anthropologists adhering to the highest professional standards. Each of our projects, since 2000A.D. are lead by an expert (senior professional), supported by a multi-disciplinary team and a trained field staff.

Web: <http://nrif.org.in>

- *NRIF* adopts three-pronged approach to tackle any given situation : **a)** GAL (Goals, Alternatives, Limitations) Concept in Project Planning & Methods to achieve goals; **b)** Convergence / Divergence between Priorities-Implications for Project Design; **c)** Communication Network procedures for the Clients as per the *NRIF* Philosophy.
- *NRIF* expertise flows from three sources : **a)** A core group of empaneled professionals; **b)** Specialists on roster; and; **c)** Eminent individuals as advisers.
- *NRIF* experts also have an access and, liaison with global experts through its national and international agencies and, institutions.
- The *NRIF* operates in more than 13 States of India and abroad, with Head office in NCT of Delhi besides Abroad...operating branches in CANADA & USA.
- We in *NRIF* hold ourselves accountable to both those we seek to assist and, those from whom we accept resources.
- The *NRIF* has the extended administrative, infrastructures, managerial and, LAN Computer Systems, and, state of the art communication system support from: *mg india*
